“The NA network and the camaraderie among graduates is incredible. I can pick up the phone or email to ask a question about a specific issue and get an immediate response. No matter how large or small the department, we’re all dealing with the same problems and there’s always someone able and willing to give you the guidance you need.”

— FBINAA Graduate, 225th Session

“ I had no idea what an impact it (membership) would have on me and my department twelve years later. We all treasure our memories from National Academy, and as graduates we know it is the premier executive training program in the world. The FBINAA is a network of support for our employees, our community and each other. ”

– National Academy Graduate, 206th Session
